Dear Sir:

I am in receipt of your letter of December 21st. In it you stated that you had reached an agreement with the attorneys for The Felix Indemnity Co. in regards to the suit they brought against The Negro National League. The agreement calls for the payment of \$100.00- One Hundred Dollars. which amount will completely satisfy the claim.

I will appreciate it very much if you will write me if The Negro National League will be called on for any more money at any time, and if so how much. Would it be possible for you to send me a statement that I could relay to the League members verbatim.

I understand of course that after the money is paid the proper papers will be signed acknowledging the settlement, but I want to find out if there will be any additional costs for anything.

Very Truly Yours
